# Who We Are

Steve Stanton recently re-launched Deep Water after returning to USA to head up Technology, Operations, Product and Business Analyst teams for a community bank 2022-2024.

Steve returned to USA in late 2022 after 15 years in Hong Kong and UAE. He spent 6 years with Morgan Stanley Asia and 6 years in Hong Kong's startup community.

He previously worked in NYC doing public accounting, consulting, asset management, and 2 years of SOX & risk with Morgan Stanley.
